PHOTO INTELLIGENCE MEMORANDUM

MATSU SITUATION STUDY  
(Supplement #2 to GP/L-76, dtd April 1, 1955)

For convenience, this memorandum follows the same area breakdown used in Supplement #1. The Matsu Area is divided into two sections, Foochow and the Pehling Peninsula. The dividing line is 26°10' N. latitude.

The changes indicated by this memorandum were evident after study and interpretation of aerial photography taken between the dates of [REDACTED]

It should be noted that AA guns, reported in previous supplements as Heavy (85 mm), are now listed as Medium (85 mm) and those listed as Medium (37 mm) are now listed as Light AA (37 mm).
